Tasmanian Planning Scheme

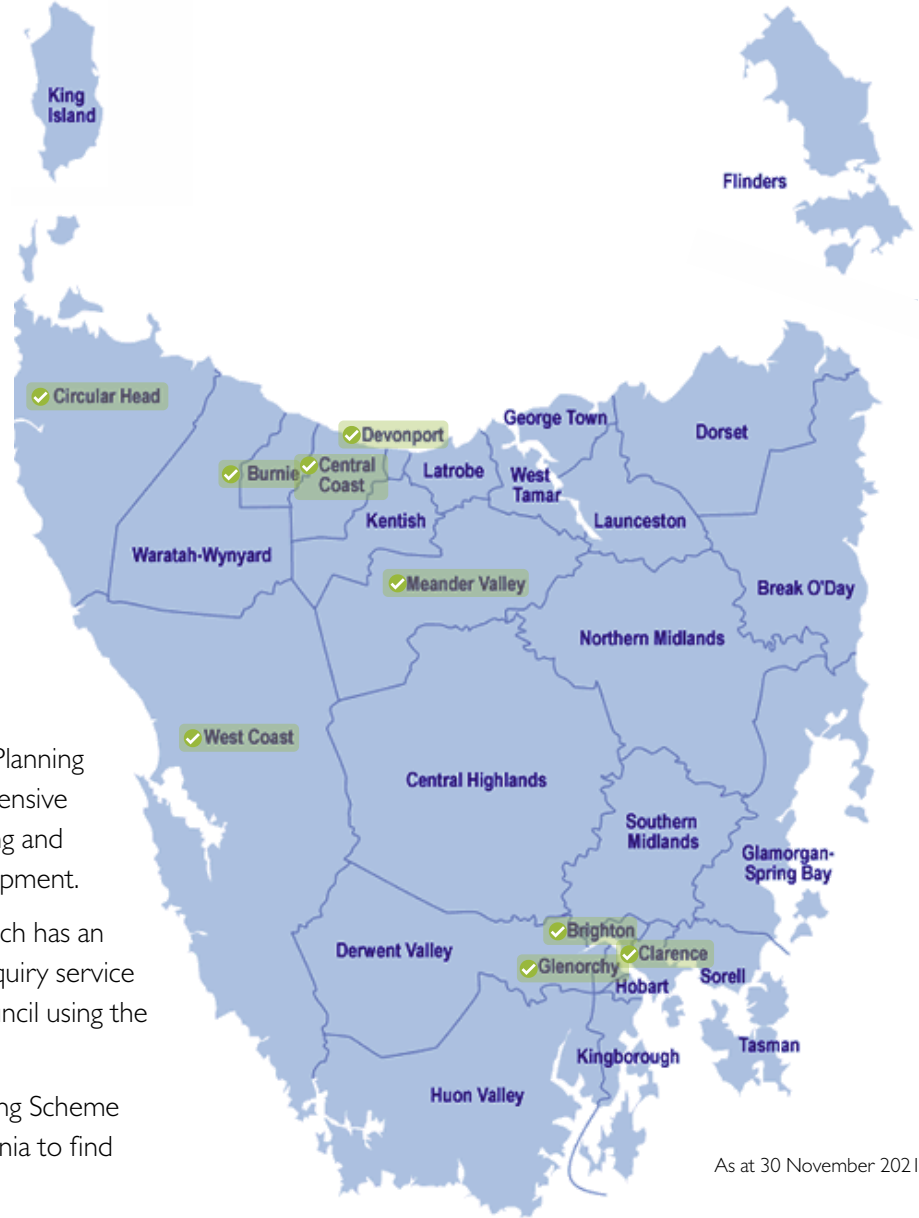

The Tasmanian Planning Scheme is now in operation within the council areas listed below:

- **Brighton Council**
- **Burnie City Council**
- **Central Coast Council**
- **Circular Head Council**
- **Clarence City Council**
- **Devonport City Council**
- **Glenorchy City Council**
- **Meander Valley Council**
- **West Coast Council**

For those properties that fall under the Tasmanian Planning Scheme, PlanBuild Tasmania will provide a comprehensive enquiry service, including identifying planning, building and plumbing rules that may apply to a proposed development.

For those properties located in a municipal area which has an Interim Planning Scheme in effect, the extended enquiry service is not available, but you can contact the relevant council using the Request Advice service in the portal.

Once the council has adopted the Tasmanian Planning Scheme you can use the enquiry function in PlanBuild Tasmania to find out more information.
